Your Ultimate Choice in
Profitable Cleaning Performance!

LIGHTWEIGHT. COMFORTABLE. QUIET. POWERFUL VACUUMING FROM SANDIA PRODUCTS

The 6-Quart Hipster Hip Vacuum is available in three powerful models. There is a Hipster Vacuum perfect for every job. Its patented noise suppressing exhaust chamber makes it the quietest vacuum in its class – perfect for schools, office buildings and other large, high-traffic areas.

- Reliable Power
- Fastest Pick-Up
- Maximum Airflow
- Innovative Design
- Lightweight
- HEPA Filtration

HIPSTER HIP VACUUM SERIES

by Sandia Products

Manufactured with
Pride in the U.S.A.

SEE THE BENEFITS

of the Hipster Hip Vacuum Series

- Collects the most soils, leaving exhaust air cleaner with a disposable, heavy-duty paper micro-bag mounted inside a washable cloth shakeout bag.
- Innovative bag support plate keeps bag from depleting airflow.
- Patented noise suppressing exhaust chamber makes the Hipster the quietest vacuum in its class.
- Lightweight design with a four-way belt tensioner that ensures maximum adjustability and comfort. The comfortable waist belt design reduces fatigue, making work easier.
- Reversible cap makes adjustment easy for both left and right-handed use.
- Unbreakable stainless steel latches, impact-proof polyethylene body and 1.5 inch industrial hoses make the Hipster durable and long-lasting.
- 5-piece tool kit included on select models.
- Lifetime warranty on roto-molded polyethylene tank. 5-years on electrical components and tools.

PATENTED TECHNOLOGIES

Compare the features. Compare the technology.

With Sandia's non-conventional approach to problem solving, we have increased airflow, increased efficiency and created the quietest vacuum in its class.
